STEM Night

All Departments
participate

FURKY TUBES

The poster is a colorful graphic for a STEM Night event. It features a date badge in the top left, a cartoon scientist character, the main title 'STEM Night' in large bold letters, and a blue badge stating 'All Departments participate'. A central photograph shows a science experiment with a red label 'FURKY TUBES'. The design is decorated with several starburst and geometric shapes in blue, orange, and red.

STEM Night

- Teachers will pick Top Two projects per period to show case.
 - You can create a rubric to make it fair to all the students.
- Teachers must have present the students that created the Top Two projects per periods, in order to present
- Show case your best projects in the best way!
 - Make the projects interactive not just displays
- Floor Plans: forth coming
- Teachers show arrive no later than 4:30pm in order to set up and ensure that you're ready for the families
- STEM Night: November 7th, January 16th and March 19th from 6pm to 8pm

INVADE

House Keeping

- Once the STEM Night is over, please ensure to clean up
- Also, if you need any additional resources please let us know ahead of time. Ex: laptops, projector...
- STEM Ambassadors: will be walking around providing help if needed
