STEM Night

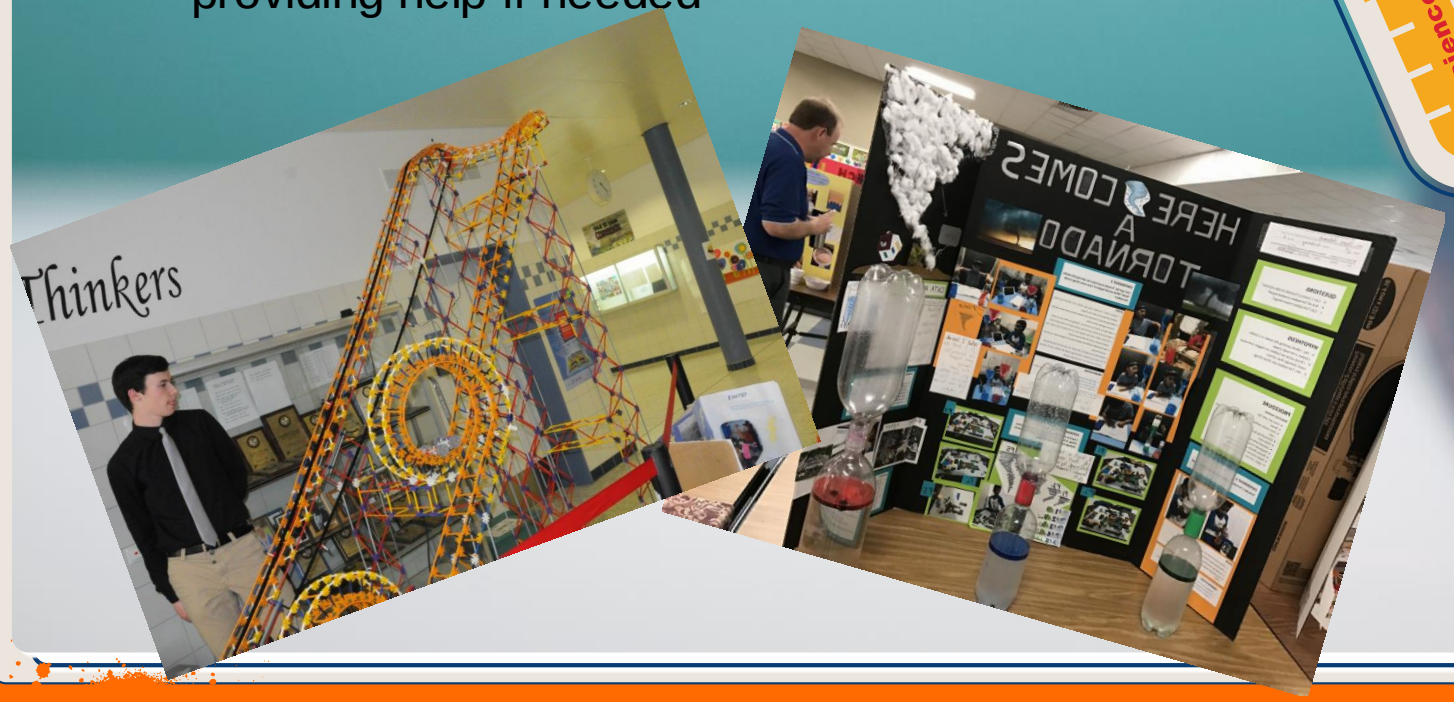
All Departments participate

STEM Night

- Teachers will pick Top Two/One project(s) per period to show case.
  - You can create a rubric to make it fair to all the students.
- Teachers must have present the students that created the Top Two projects per periods, in order to present
- Show case your best projects in the best way!
  - Make the projects interactive not just displays
- Floor Plans: forth coming
- Teachers show arrive no later than 4:30pm in order to set up and ensure that you're ready for the families
- STEM Night: November 7th, January 16th and March 19th from 6pm to 8pm

House Keeping

- Once the STEM Night is over, please ensure to clean up
- Also, if you need any additional resources please let us know ahead of time. Ex: laptops, projector…
- STEM Ambassadors: will be walking around providing help if needed



Build a Lemon Battery
